## **Mastering Astronomy Identity**

**Must be handed in (during class) by Monday Sep 8**

You will create a unique login name for Mastering Astronomy. Do not use a name that can be identified with you (no relation to your real name, or other names you use elsewhere on the internet).

### **MASTERING ASTRONOMY LOGIN**

My Mastering Astronomy Login Name: \_\_\_\_\_

Your personal password will get changed as part of sign up process. Do not write it on this form.

### **REAL IDENTITY**

My Family Name: \_\_\_\_\_

My First name: \_\_\_\_\_

My UBC ID number: \_\_\_\_\_

You will hand this form in to the professor. Write down your login name and the final password elsewhere. (In fact, record it in TWO places! Just in case.)
